Nombre: Mono LIGHT CARBOFLAME	70X c. MC5628H5	MC56 ROPA CARBOFLAME
-------------------------------	-----------------	----------------------

A full-body view of a bright orange protective suit, likely for firefighting or industrial use. The suit features reflective silver stripes on the shoulders, elbows, and knees. It has a high collar, a front zipper closure, and several pockets, including two large chest pockets with flaps. The suit is shown against a plain white background.
